MEDICAL EXPERTS

Being instructed by you

How Gyrus provides medical experts & doing business with Gyrus

Distinguished as a leading medico-legal firm, we specialise in delivering unparalleled services to legal firms and insurers.

What Gyrus offers

Gyrus delivers robust, strong, common sense, sensible compliant reports from leading eminent experts.

We simplify and bring clarity to even the most complicated of injury instances.

We take great pride in the **quality and calibre** of our experts.

Our expert partners are UK wide and are the most talented in their field.

To guarantee that we give our clients the **best outcomes possible**, we only use the most accomplished and skilled medical professionals.

Every report is peer reviewed and approved then issued in final draft to **guarantee high quality results**.

Opinions based evidence that are appropriate for trial and have demonstrable successful results.

Our experts are hand picked and vetted based on our values. They are well respected academically and professionally, easy to work with and deliver on time, every time. We agree deadlines upfront and tailor to your schedule whenever we practicably can.

If we can't deliver the appropriate expert within the required timescale, we will flag immediately.

- 1 Gyrus works exclusively on high value claims that need the very best expert attention from the very best in class.
- 2 We have vast experience in professional report preparation for high value claims with a specialism on brain related matters.
- 3 Our experts all remain clinically active and The Gyrus Group maintains a 50/50 split on claimant and defendant instructions.
- 4 We operate at the highest level and continually refine and optimise our offerings to the legal sector.
- 5 We are appointed by the top tier law firms and have extensive relationships throughout the UK as well as Europe & The Americas.

What Gyrus can do for your legal practice

- ✓ You deal with a firm that has already **built its reputation** with the leading legal firms in the UK and Ireland.
- ✓ We are **thought leaders** in our field.
- ✓ We are a **medically owned** and orientated business, fiercely independent.
- ✓ Our reputation on delivering more than **3,000 medical legal reports** in the past few years is well documented.
- ✓ **Trust, honesty and transparency** is the beating heart upon which the Gyrus Group has been built.

Our proposition includes the invaluable expertise and judgment of seasoned medical professionals. We have a particular focus on the intricate issues related to brain injury and the associated high value claims.

Gyrus takes pride in its authoritative position within this field, setting the standard as key opinion leaders. Our unwavering commitment to integrity and honesty permeates every facet of our operation. We recognise the profound impact injuries can have on real lives and the pivotal role expert medical reports play in legal proceedings.

In an ever-evolving legal landscape, our firm stands at the forefront, continuously adapting to changes and staying abreast of the latest developments in neurology and medico-legal practices.

We understand the distinctive challenges confronted by legal firms and insurers and pledge to provide tailored solutions that exceed expectations.

We fully appreciate the significance of clear communication, timely delivery, and a collaborative approach. Each instruction is efficiently case-managed, throughout its lifecycle. Every interaction, is accurately and completely recorded using the bespoke Gyrus Operating Support model.
